Unique Family Reunion in Rutland.

One of the most unique family re-
unions ever held in Vermont took
place in Rutland Sunday, eight sisters
survivors of a family of thirteen, meet-
ing for a morning, it being the first
time they had been together in 52 years.

The sisters who met were Mrs. Nor-
man A. Paige, Mrs. Charles Austin
Moore, and Mrs. Mary E. Mason of Rut-
land, Mrs. Erasmus Wright and Mrs. Har-
riet D. Smith of Coventry, Mrs. A. D.
Brookings of Montpelier, Miss C. V.
Brookings of Montpelier, Miss S. H.

These women are daughters of the
late Mr. and Mrs. Randall Smith, and
all thirteen children were born in a house
in Westminster, which is still standing.
Mrs. Ferris, 80 years old, is the eldest
of the family, and Mrs. Moore, 55 years
old, the youngest.

The sisters had not been together be-
fore since Mrs. Ferris was married and
went to Belle Plaine, Minn., in 1855,
as a pioneer. Mr. Ferris also married
and went west in 1856. Her hus-
band was killed by Indians.

Dr. David Kennedy, Rutland, N. Y.
Dear Sir:—Some time since I was
troubled with blotches coming out on my
breast, of a scrofulous character, and my
general system seemed to be out of or-
der. I was induced to try Dr. David
Kennedy's Favorite Remedy. The first
bottle drove the eruption away and I
feel better every day. It is a splendid
blood medicine. Henry S. Eldridge,

ABOUT THE STATE.

**Items of Interest Gleaned From Our
Exchanges.**

Joseph Bodiah of Albany has a letter
call about last week which has six leg-
ions. The mother is a two-year-old letter.

R. W. Hubbard of Hyde Park is ill,
the doctors being undecided as to
whether the disease is diphtheria or a
severe case of tonsillitis.

A Vergennes correspondent says that
the outlook for the honey crop is very
poor as the bees are in a starving con-
dition owing to the lateness of the
season and the continued dry weather.

The Rev. E. M. Fuller of Burlington
returned home Sunday from his trip
to Rome, where he attended the
World's National Sunday school conven-
tion, and visited nearly all the large
cities on the continent en route home.

A Morgan mare for which John Mul-
quelin of Rutland four weeks ago paid
\$250, became frightened at an auto-
mobile and ran away, breaking a leg,
which necessitated her being shot. On
the buckboard to which Mulquelin's
horse was attached was a box of dynam-
ite and a crate of eggs. Neither was
thrown to the ground.

The suit of Archie Dike of Bristol
against the Rutland railroad, an action
to recover damages of \$10,000 has been
entered in Chittenden county court.
The plaintiff seeks to recover for in-
juries received in the Vergennes wreck
last December. He alleges that in con-
sequence of bruises and injuries to his
back, back and legs he has been and
will be disabled for a long time to
come.

BENEATH A FLORAL BELL.
Boston Lawyer Weds One of Burling-
ton's Fair Daughters.

Burlington, June 26.—Samuel Sibley
Dennis, Jr., a rising young lawyer of
Boston, and Miss Helen May Ferguson,
daughter of Mr. and Mrs. W. F. Fergu-
son of this city were married at four
this afternoon at the home of the
bride's parents in the presence of a
gathering of relatives and intimate
friends of the couple.

The ceremony was performed by Rev.
C. J. Staples, pastor of the Unitarian
church, the bride and groom standing
beneath a floral bell which after the
ceremony was allowed to shower petals
upon the newly married pair. The best
man was Dr. C. Parker Holt of Cam-
bridge, Mass., and the bride was attend-
ed by her sister, as maid of honor, Miss
Virginia Ferguson.

The bride was attired in white chiffon
cloth over white meshing trimmed
with point lace. She carried a shower
bunch of sweet peas, and wore at her
throat a brooch pendant of pearls and
ultra marines, the gift of the groom.
The maid of honor wore a maize liberty
satin gown, and the little ribbon girls
were attired in white with maize sashes
and hair ribbons. The maid of honor's
bouquet was fleur de lis, and the little
girls carried daisies.

Romano's orchestra furnished music
for the marchers.

A reception was held immediately
after the wedding when a large number
of friends called to extend congratulations.

The bride and groom are both gradu-
ates of the university of Vermont class
of 1901 and the groom was graduated
from Harvard law school.

Mr. and Mrs. Dennis will reside in
Cambridge, Mass.

DROWNED IN LAKE CHAMPLAIN.
Joseph Shortleaves of Essex, N. Y.,
Lost His Life.

Burlington, June 26.—Joseph Short-
leaves of Essex, N. Y., left overboard
from the launch Ray off Diamond Is-
lands about two o'clock Sunday morn-
ing and was drowned. A party of ten
from Essex had chartered the launch
for a trip to Port Henry and the ac-
cident happened while on their return.
Young Shortleaves, it is said, was ly-
ing on the forward deck of the yacht,
apparently asleep, and while in that
condition rolled off into the lake. He
was a son of Joseph Shortleaves of
Essex, who had chartered the launch
for a trip to Port Henry and the ac-
cident happened while on their return.

The body has not been recovered and
probably never will be as the water at
that point is between two and three
hundred feet deep.

SQUIRREL WAYS.
The Little Animals Are Great Actors
on a Rail Fence.

It is the furry gray squirrel that I
love to watch as he makes his way
along the fence, says a writer in For-
est and Stream. He is fond of sitting
on the top rail and surveying his little
world, but if anything disturbs him it
is worth a long tramp to watch him
as he zigzags back and forth, follow-
ing the riders toward his home tree.
If not suspicious, however, the gray
skips along from rail to rail, turning
back now and then to jump down and
examine something on lower rails or
on the ground. Often it is a nut that
he thinks he buried in a certain clump
of grass in a fence corner. Frequently
he is mistaken in the exact place, but
he finds it farther on and comes back
to the rider to eat it. Watch him close-
ly when he finally sees you blocking
his way.

He looks at you with his head turned
sideways, and you wonder that he
shows no surprise and cannot make out
whether he knew you were there all the
time or is only bluffing. Now he
turns back and traverses a few rails,
gets down on the next one and makes
a pretense of searching for something
there, comes back to the rider again
and feigns perfect composure, slips
down to the ground while, as he seems
to think, you have been thrown off
your guard and then makes his way,
now slowly, now like a streak, to the
shelter of the woods, just as though
you did not see squirrel ways.

Hot Water Bags.
When a hot water bag is emptied,
there is always a little moisture left
inside and one will notice that the
inner sides cling together, which is not
well for the bag. After emptying,
blow hard into the bag, quickly screw
in the stopper and your bag, being

will last much longer.

TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having
An Effective Cure.

If you see a woman or a man with lux-
uriant glossy hair, you may be sure
that she has dandruff to amount to anything.
In nearly every case where women and
men have this brittle hair, they owe it
to dandruff. There are hundreds of prepa-
rations that "claim" to cure dandruff,
but not one but Newbro's Herpicide tells
you that dandruff is the result of a germ
burrowing into the scalp, and that per-
manent cure of dandruff and its conse-
quent falling and baldness, can only be
had by killing the germ; and there is no
other preparation that will destroy that
germ but Newbro's Herpicide. "Destroy
the cause, and you remove the effect."
Sold by leading druggists. Send 10c. in
stamps for sample to The Herpicide Co.

Two sizes—50 cents and \$1.00.
E. A. Drown, Special Agent.

MERGER BILL PASSED.
Important Measure Goes to Be En-
grossed.

Boston, June 26.—The bill restrain-
ing the consolidation of the Boston &
Maine railroad with the New York,
New Haven & Hartford railroad, un-
til after the next legislature can act
upon the plan, was passed to en-
grossment in the lower branch of the
legislature by a unanimous vote, after
a referendum to the people had been
killed 81 to 135. The bill now goes to
the senate for concurrent action.

He Fired the Stick.
"I have fired the walking-stick I've
carried over forty years on account of a
sore that resisted every kind of treat-
ment, until I tried Bucklen's Arnica
Salve; that has healed the sore and made
me a happy man," writes John Garrett,
of North Mills, N. C. Guaranteed for Piles,
Burns, etc., by the Red Cross Pharmacy,
25c.
